

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 973 - SB 1042

March 23, 2015

SUMMARY OF BILL: Adds an analysis of the effects of the closure of any public facility providing services to the advising duties of the Statewide Planning and Policy Council to the Department of Intellectual and Developmental Disabilities (DIDD).

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Currently, the duties of the Statewide Planning and Policy Council include advising DIDD on plans and policies to be followed in the service systems and the operations of departmental programs and facilities. The Council currently attends to an evaluation of needs assessment, service, and budget proposals.
- The proposed legislation will not significantly increase the workload of the Council nor will it delay the proposed closure of the Greene Valley Developmental Center on June 30, 2016, as part of a federal court approved settlement agreement and exit plan of the Clover Bottom lawsuit.
